## VENUE

You will find the International Labour Organization Office in central Geneva - a building that occupies its current location since 1974, between the Jura mountains and Lake Geneva.

Address: International Labour Organisation (ILO)  
4 route des Morillons, Geneva, Switzerland

## TRANSPORTATION

### By Taxi

The entry point for the taxi driver should be the visitors' entrance off Route des Morillons. Immediately after the barrier, the taxi will take you straight to the Security Gate level (R2). This is the first door (South side of the building). The entrance is made through the Parking on that level.

### By Bus

*From Cornavin train station:*

Take bus 8 bound for OMS or bus F towards the direction of Ferney and get off at the BIT stop. The estimated time is around 15 min.

*From the airport:*

Take bus 28 bound for Jardin Botanique and get off at BIT stop. There are three buses every hour. Estimated time is approximately 12 min. The bus stop at the airport is at the Departure level, one level above the Arrival hall. If you go out of the Departure hall and walk to the left, you'll see the bus stop.

*Bus ticket:*

Tickets can be bought from a ticket machine at the bus stop. Press the button circled in red for a ticket valid for 1 hour (CHF 3.-). Alternatively, you can buy a daily ticket (valid from 9h to 24h) for CHF 8.-. Please note that most hotels will give you a free ticket for public transports every day upon request (Geneva Transport Card). You can also pick up a free ticket for public transport from the machine in the baggage collection area at the Arrival level.

For information on public transport [www.tpg.ch](http://www.tpg.ch).

*Getting from the bus stop to the R2 South entrance:*

From the bus stop, go down the slope towards the ILO building, which leads to an underground parking lot. Turn right at the entrance of the parking lot and go straight along the wall. You'll see a door on your right and an escalator inside. Take both escalators and you will arrive at the R2 level entrance. Do not access the building through this security gate on the first day, follow the signs out into the parking lot and walk to the other side of the parking lot (from North to South side). You will then reach a security door. This is where you can collect your security badge.
