Development Progress Stories

Juba, South Sudan

14 October 2011

What is the Development Progress Stories project?

What is development progress?

Improvements in key dimensions of human wellbeing (material, health, education, political voice etc.)

Those improvements are....

- Sustainable**
- Equitable**

How were stories chosen?

- Based on different measures of progress and interviews with experts we came up with a long list of stories (100)
- 22 were selected based on:
 - Scale (national, large regions)
 - Sustainability
 - Equity
 - Region
 - An element of surprise ...
